The case is nice and thin, I think it looks very good which is the most important for me in a case. Shows off pretty pixel 5 well and has a charm holder which I got to use. Buttons are still nice and clicky and fingerprint reader is easy to use and find. Haven't tested durability but feels good enough for a case this thin.

This "invisible" blackhead is one of Dr. Pimple Popper's most interesting pops. Upon first look, you can't even see the pimple, so Dr. Lee pointed out the small bump under the skin on the patient's top lip that she was removing. To the average viewer, it's almost invisible, but Dr. Lee was able to detect and extract it.
