The new president, Calvin Coolidge, fit into the pro-business spirit of the 1920s very well. It was he who said, " the chief business of the American people is business. . . . The man who builds a factory builds a temple—the man who works there worships there. "

The Business of America

The Business of America: The Economy in the 1920s The story of the 1920s is in large part a story about money. After a few slow years at the start of the decade, money began to flow through many, though not all, people's hands. The flow continued right up until those fateful few days near the end of 1929, when it suddenly stopped.
